

## **ED-PACT Tool**

### **ED Provider Testimonial**

"[The ED-PACT Tool] assures high level quality and continuity of care and ensuring safety for our Vets. Every time I look into CPRS to follow up on a patient and I see that an urgent follow up we ordered using the ED-PACT Tool resulted in a phone call on Monday (or any weekday) morning to the patient, I feel relieved and exhilarated." VA ED Provider E-mail to ED-PACT Tool Team, August 15<sup>th</sup>, 2017
